

December  
**3X** points

★ For our most valuable ★  
★ Gamblers Bonus member ★

Dear Member

There are many benefits to being a loyal Gamblers Bonus club member besides just the ability to play and earn points at over 160 Nevada locations. One benefit we are proud to offer is an extra special token of our appreciation as this holiday season approaches. This is one of our favorite traditions from the past several years and we've decided to continue it again this year.

We are pleased to offer you, as one of our most valued players, triple points\* throughout the month of December. In addition to simply receiving triple points for your play, we are taking the extraordinary step of counting these bonus points towards your club level for next year. Ordinarily bonus points earned through multipliers like this wouldn't count towards your club status, but during this special holiday promotion we've decided to do things a bit differently.

This will make it much easier for you to keep your current club status or even reach a higher club level for next year. It is truly an exceptional offer, allowing our most valued Gamblers Bonus club members the opportunity to cash in throughout the holiday season and beyond.

These special promotional points earned starting December 1<sup>st</sup> and ending December 31<sup>st</sup> will be applied to your account in the first week of January 2026 after we've had the opportunity to calculate your tier level. The points will be yours to keep even if you fall short of reaching your club level goals. No matter what, your play in December will be worth three times as much. It's simply our way of saying "thanks" to our most loyal players.

Happy Holidays!
